

MIREES is a two-year joint international program awarded by the Alma Mater Studiorum – Università di Bologna – Forlì Campus, Italy, together with the partners: Vytautas Magnus University in Kaunas, Lithuania, Saint Petersburg State University, Russian Federation and the University of Zagreb, Croatia.

## **PROGRAMME OVERVIEW**

The degree programme is entirely taught in English (120 ECTS) and offers interdisciplinary, in-depth knowledge of Post-socialist Countries in transition, new EU member States, and new East-European Neighbor Countries. Students develop language skills by learning one Eastern European language (3 levels of Russian, Bosnian-Croatian-Serbian, Bulgarian, Slovak; other languages are available in the second year).

MIREES combines an academic approach with professional training, forging potential insightful consultants, analysts, and managers as Area Experts for international agencies, public administrations, private and public companies, and NGOs, while also offering a solid basis for further academic studies at the PhD level.

Enrolled students spend the first year in Forlì. In the second year, a minimum of **5 months will be spent at one of the Partner Universities** or, in particular cases, at other Mirees associated Universities. A mobility grant is offered to all enrolled students, thanks to Erasmus + or the MIREES mobility scheme. **Internship and research opportunities** are available in the fourth semester.
